

## **The UUFW Pledge Drive 2018-2019**

Your heartfelt pledge will help keep our beloved community vibrant and ready to meet the spiritual needs of our members and our children now and into the future. Our pledge drive goal this year is \$142,000.

Reaching this goal means that collectively we must pledge a little bit more than we did last year. We need more because our fixed expenses for personnel and programs are always inching up. And we have unfunded requirements that need our attention if we are to attain and sustain our mission and vision.

If you are pledging for the first time, or if you have not increased your pledge in many years, now is a good time for you to think about what our Fellowship means to you and your family and make sure your pledge reflects its true value within the limits of your resources. The [UUA Suggested Fair Share Contribution Guide](#) can help you determine what a generous gift might be.

Please complete a pledge form and return it to our treasurer by mail (565 Pine Avenue, Waynesboro VA 22980) or by putting it into the secure box at the rear of the Fellowship Hall. The [2018-2019 Pledge Form](#) may be downloaded or picked up at the Fellowship on Sunday. All pledges will be maintained in confidence however they are made. **The pledge drive ends on March 14, 2018, so please return your completed form by then.**

If you are new to pledging, see the FAQs on the [Donate and Pledge](#) page on our website. For more information about the Fellowship's need for your generous support this year, you can review the [Stewardship Overview](#) for the current fiscal year. And you are free to ask questions of any of us on the Pledge Drive Task Force.

With heartfelt gratitude,
